Registration: <https://tinyurl.com/registration-methods>

## Confirmed Speakers:

**Timothy Berkelbach** (University of Chicago, USA)

**George Booth** (King's College London, UK)

**Guy Cohen** (Tel Aviv University, Israel)

**Johannes M. Dieterich** (Princeton University, USA)

**Robert A. DiStasio** (Cornell University, USA)

**Giulia Galli** (University of Chicago, USA)

**Andreas Goerling** (University of Erlangen-Nuremberg, Germany)

**Eberhard K. U. Gross** (Max Planck Institute of Microstructure  
Physics, Germany)

**Emanuel Gull** (University of Michigan, USA)

**Oded Hod** (Tel Aviv University, Israel)

**Ronnie Kosloff** (Hebrew University of Jerusalem, Israel)

**Leor Kronik** (Weizmann Institute of Science, Israel)

**Steven G. Louie** (University of California, Berkeley, USA)

**Daniel Neuhauser** (University of California, Los Angeles, USA)

**Eric Neuscamman** (University of California, Berkeley, USA)

**Daniel Reich** (University of Kassel, Germany)

**Lucia Reining** (Ecole Polytechnique, France)

**Igor Schapiro** (Hebrew University of Jerusalem, Israel)

**Toru Shiozaki** (Northwestern University, USA)

**Sandro Sorella** (International School for Advanced Studies, Italy)

**Tyler Takeshita** (University of California, Berkeley, USA)

**Seiichiro Ten-no** (Kobe University, Japan)

**Alexander Thom** (University of Cambridge, UK)

**Michael Thoss** (University of Erlangen-Nuremberg, Germany)

**Vojtěch Vlček** (University of California, Los Angeles, USA)

**Philipp Werner** (University of Fribourg, Switzerland)

**Dominika Zgid** (University of Michigan, USA)
